MATEMÁTICAS PARA MÍ

NIVEL C

Nota para padres:

Gracias por comprar este trabajo, lo hice para mis hijos y lo quería compartir. Nos gusta jugar juegos de matemáticas por lo tanto quería un libro con menos hojas y menos ejercicios para tener más tiempo de jugar. Úsenlo como una guía, y jueguen tanto como les sea posible.

Espero que lo disfruten.

Abby.

100 Días de Escuela

Escribe el número correcto de centenas, decenas y unidades.
