# PREESCOLAR PARA MÍ

## 1 Y 2

### *Nota para padres:*

*Durante mis años haciendo escuela en casa he notado que los niños pequeños aprenden más jugando, por lo que te recomiendo que no te ates a libros con ejercicios. Usa este libro como una guía, pero juega con tus pequeños lo más posible. Empieza desde ahora creando un hábito de lectura, léeles todos los días.*

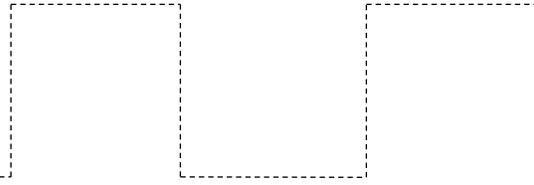

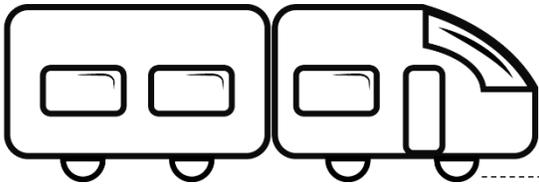

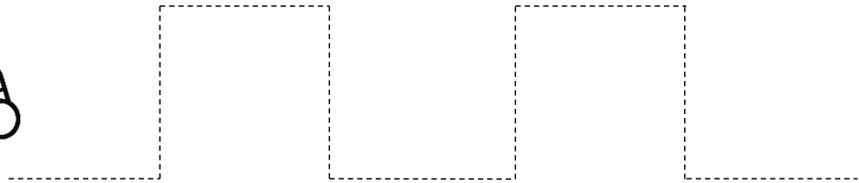

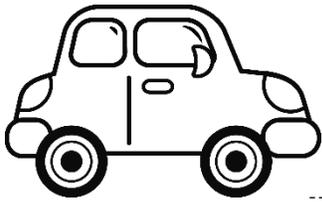

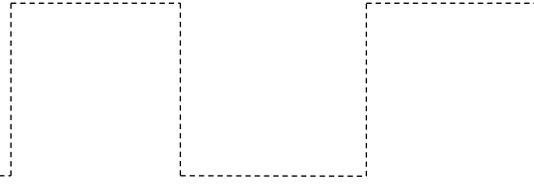

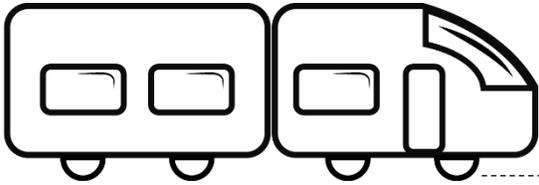

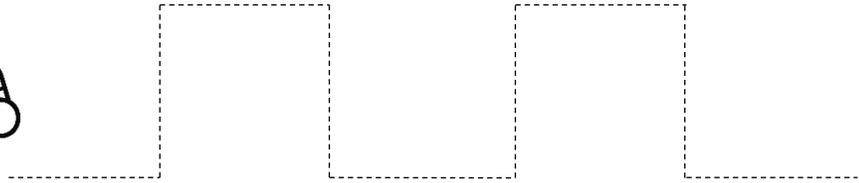

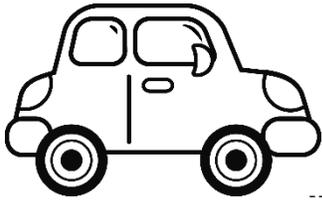

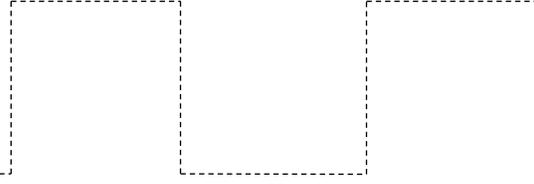

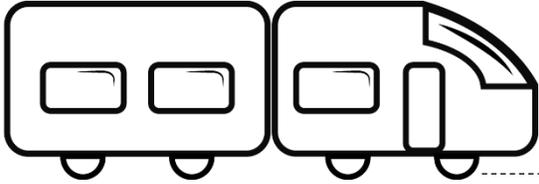

*P.d. Si tu niño no esta listo para trazar o escribir puede usar sus mismos dedos para hacerlo.*

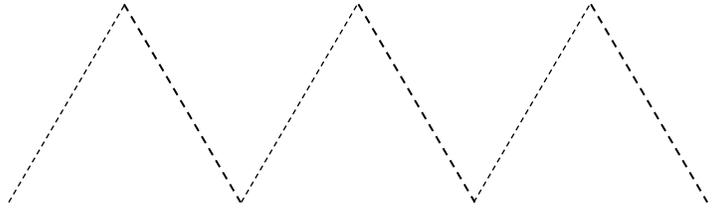

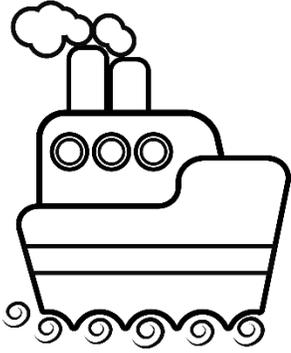

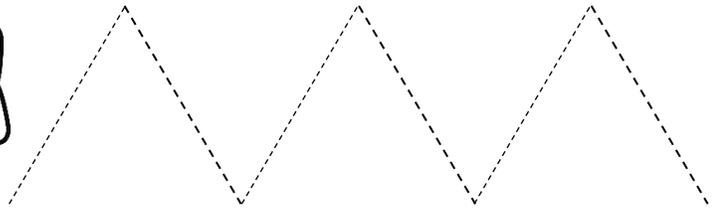

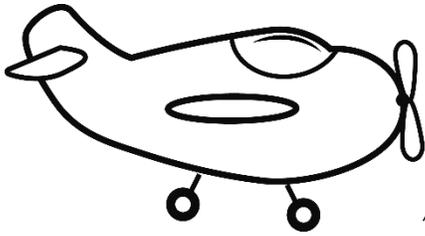

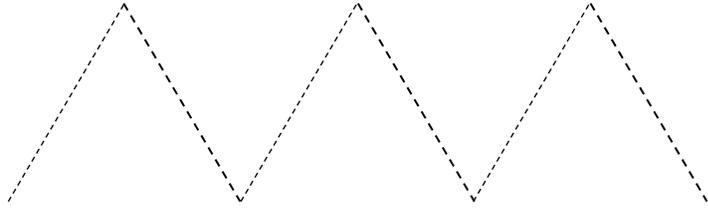

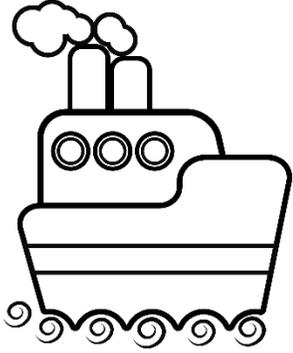

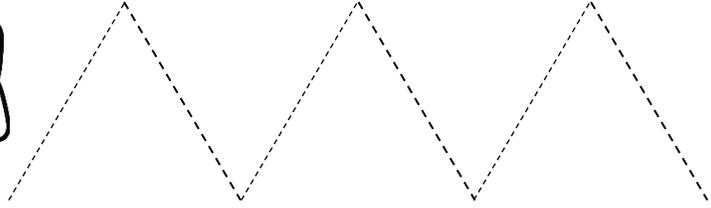

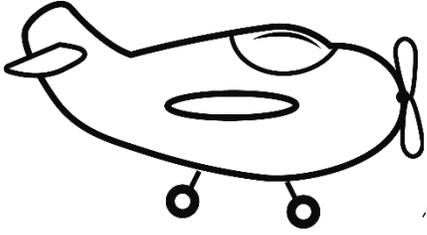

*¡Bendiciones!*

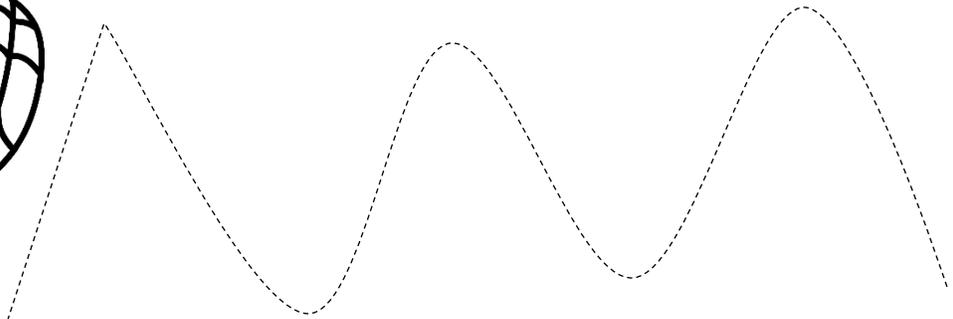

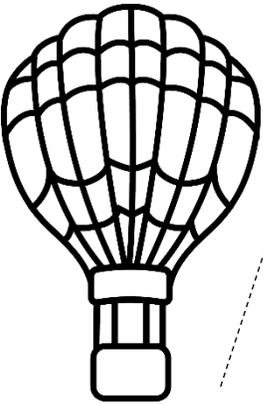

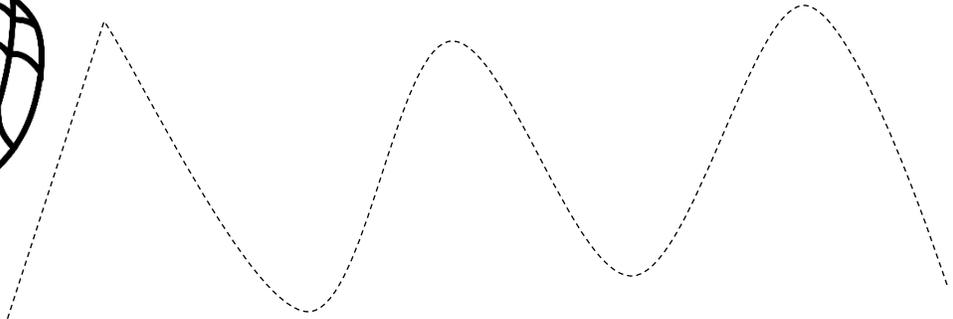

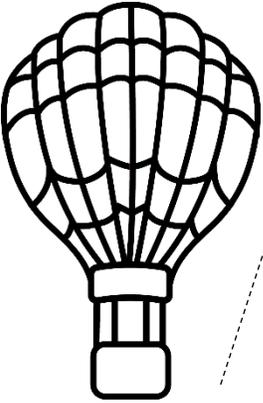

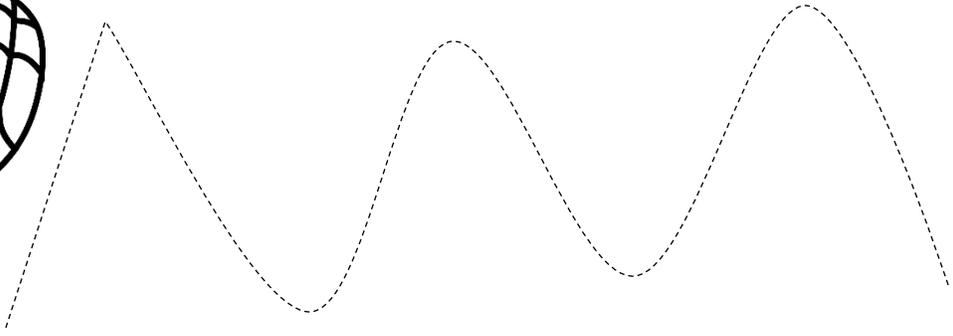

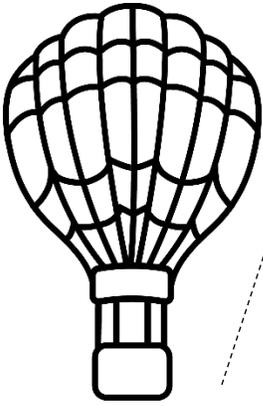

*Abby.*
