Nota:

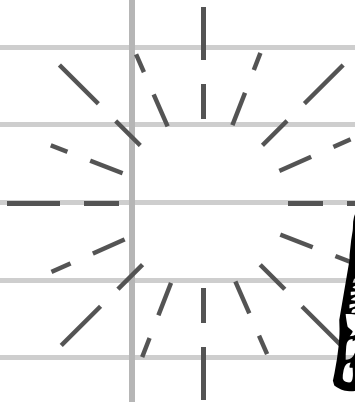

Libro por Libro: Marcos es un diario donde tu puedes crear tu propio devocional. Este te lleva a leer el evangelio completo.

Con cada lectura diaria deberás escribir las cosas por las que estás agradecido(a), las cosas por las que orarás, notas del pasaje y lo que aprendiste ese día. Al final deberás hacer una introducción y un reporte final.

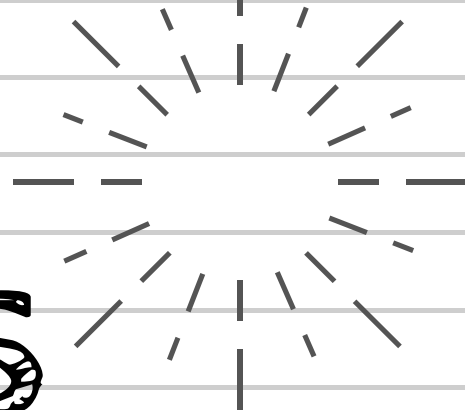

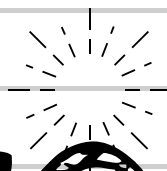

Además, en la parte de atrás hay un área para que crees tu propio diccionario con las palabras que no entiendas y su significado. Otra opción es hacer tu propio diccionario en un cuaderno aparte.

¡Bendiciones!
